

NATURAL FIBRE HOME DÉCOR FOR EU BUYERS

Rooted in Craft. Built for Scale.

A story for every corner

WHO WE ARE

A sourcing partner built on craft

Nest & Nook makes and sources handcrafted home décor in Bangladesh for European retailers, brands and importers. Baskets, rugs and table textiles come from our own production in Rangpur. Throws, cushions and poufs come from a vetted partner network.

We design to EU retail trends and compliance requirements, from first sample to the EU port of entry. Every range can be adapted in size, colour and labelling for your brand.

MATERIALS

Jute
Bangladesh's golden fibre. Strong, biodegradable and warm in tone.

Seagrass
Wetland grass twisted into rope for firm, durable weaves.

Water hyacinth
A fast-growing river plant, dried into soft, chunky textures.

Cotton
For flatweave rugs, block-printed throws and cushion covers.

RESPONSIBLE SOURCING

Natural core lines. Free from synthetic dyes, chemical treatments and polyester blends.

Fair wages and safe workplaces across owned and partner units. Working toward BSCI and SA8000 audit readiness.

EU alignment. Supply chains aligned with REACH and EUDR, with traceability documents on request. Working toward OEKO-TEX Standard 100.
